19th Ambulance is Dedicated from page 25

was in Israel during "Operation Protective Edge," spoke of the tremendous dedication of the men and women of the IDF, the medics and paramedics of Magen David Adom and, of course, the strength and fortitude of the citizens of Israel. Moreover, he emphasized the need for additional ambulances due to the impending threats on all Israel's borders. He also spoke of the plans to build a new National Blood Bank in the Tel Aviv area that must be built with underground capabilities to avoid potential rocket attacks from Herzbollah in the north and Gaza in the south.

According to Goodman, the total number of ambulances donated to Israel from our community is spectacular. The chapter started in 2006 and in eight years has donated a total of 19 ambulances and a dispatch station in an EMS facility in the Negev. These astonishing accomplishments certainly make

our chapter a leader in the Southeast Region and perhaps in the entire country. A truly remarkable achievement. Goodman was also pleased and excited to announce that a

long standing donor, who wants to remain anonymous, has just made a sizable "matching gift" contribution to initiate a fundraising drive for ambulance #20 in 2015. Based upon our past fundraising record, we are confident that we can raise the funds necessary to match this contribution and, therefore, we definitely plan to dedicate Boca Pointe's Ambulance #20 sometime next year. This is exciting news.

Magen David Adom is the common thread that touches the lives of every Israeli, responding to accidents, illnesses, heart attack, pregnancies, strokes and, of course, terrorist incidents. MDAs professional medical responders and its team of trained volunteers provide Israel's pre-hospital emergency medical needs, including medical disaster ambulances, and all blood services. The MDA National Blood Service Center provides 100% of the blood requirements for Israel's Defense Forces (IDF) and 95% of the blood requirements for all Israeli Hospitals and the general population.

To make a donation to this vital organization to help us reach our goal for Ambulance #20 or to obtain further information, please call Burt Goodman at (561) 362-6556 or Burtgoodman@comcast.net. Please help Magen David Adom to "Save Lives in Israel" any many thanks in advance for your continued support.
